

Ceri

Salon Receptionist

Ceri will always greet you with a smile; she will look after all your needs as she does ours, she's our salon mummy.

Ceri was born in Newquay and has never wanted to live anywhere else. She loves living by the sea and having her friends and family around her. She has two gorgeous daughters and now a granddaughter too. Ceri has been with the salon for the past 16 years, even before Chocolate was born.

Ceri loves dancing and walking Teddy, her dog, on the Cornish beaches.
