

Justin

Salon Support

Qualified in city & guilds Level 2 & 3 Hairdressing at Camborne College.

Justin is a key part in the salon supporting the stylist and training any new & young general assistants. He is our salon backbone.

He was originally born in Belgium and moved to Cornwall at the age of 2, moving around a lot from Newcastle, Wales, Staffordshire, Herefordshire then moving to Cornwall at the age of 15, here he went to the local schools in Newquay. Justin has worked extensively in hospitality but found his favourite job began when he started at Chocolate in 2001.

"I love having a laugh with the clients & the salon environment."

Justin enjoys camping around Cornwall as long as it's somewhere where he can do some fishing. He is part of three choirs, Oll-an-guella, Newquay choral society and Newquay's male voice choir; this has given Justin the opportunity to sing in London's Royal Albert Hall and later on this year he will be going on his first abroad holiday to Dinard in France to sing in numerous French concerts.

Embarrassing salon moment: Cleaning the salon windows Justin threw the rest of the bucket at the window but accidentally missed and threw it over a person instead... Oops!
