Tara spent 7 years at Toni & Guy during this time she attended the London academy once a week where she looked at up and coming trends and how she could take this back to her clients in the salon. Tara trains and tutors apprentices of the salon. After doing her London barbering course she has varied and greater knowledge of gents styling, priding herself on keeping up to date with the latest trends. Tara Continued the family line of becoming one of many creative hairdressers. Her straight yet edgy cutting technique reflects her personality.

Tara was born in Germany and moved to Cornwall 1992 where she attended local schools and settled into the Cornish life walking her dog on the Cornish coast lines. Tara loves going to festivals around Britain where she can let loose. She often travels to Australia each year for a month to see her brother relax and unwind whilst seeing the sites.
